Camellia Show AND Sale

Beginning
FRIDAY
FEBRUARY 17
Extending Thru
MARCH 13

Be our guest at this lovely annual event and see hundreds of cut camellia blooms arranged in our large glasshouse for your enjoyment.

Carolyn Tuttle

● This year we have a bountiful supply of this outstanding, lovely variety that we introduced last year. A large full peony flower, rose-opal pink in color that is very similar to Debutante but much deeper in color. Wonderful upright growth, with deep green crinkled foliage. Midseason. Lower prices too! ●

1 gal. sizes, \$2.50 and \$4.00. 5 gal. \$6.00
Specimen plants in 6 gal. containers at \$12.50

Directions to Nursery

From Pasadena and east, go north on Lincoln, Fair Oaks or Lake, turn west on Woodbury Rd., to nursery. From La Canada, cross new Devil's Gate bridge, go up Arroyo Blvd. ramp, left on overpass, then right on Woodbury Rd. to nursery.

Camellias

Without the stunning blooms, camellia plants would still be perhaps your finest evergreen shrubs for shaded or semi-shady location. They are clean, pest-free, and grow reasonably rapidly into the handsomest shrubs imaginable. The dividend of some of the most spectacular flowers in the floral kingdom, only emphasizes their outstanding value as a garden plant. Some varieties will prosper in a reasonable amount of sun providing certain rules of maintenance are observed. Ask our salespeople for particulars.

Here is an exceptional list of the most wanted varieties of the Camellia japonica at special prices during our annual Camellia Show and Sale.

**E.=EARLY; M.=MIDSEASON;
L.=LATE**

GROUP ONE

Regularly priced in 1 gal. up to \$3.00; 5 gal. up to \$6.00.

CAMELLIA RETICULATA

Magnificent is the only word to adequately describe the flowers of the reticulata species of the camellia family. The blooms are immense in size, generally with wavy petals and interesting stamen arrangement. Growth habit is usually slow and rather open, foliage long and pointed. The blooming season begins in late February, extending through early March.

The following varieties in 1 gal. containers priced at \$9.00 each during our Camellia Show and Sale.

Butterfly Wings. Huge rose pink flowers with many broad and distinctively waved petals.
Chang's Temple. Semi-dbl. flowers, 5 to 7 inches across, are pink, brilliantly mottled white.
Cornelian. Large to very large irregular semi-dbl. deep rose pink heavily marbled white.
Crimson Robe. Bright crimson semi-dbl. bloom 5 to 7 inches in diameter.
Noble Pearl. Huge oriental red semi-dbl., with wavy, crinkled petals.
Purple Gown. Immense formal to peony-form, deep purple-red in color.

Capt. Rawes. Original imported variety. Large semi-dbl. ruffled petals of deep pink that stand erect. On Sale Now, 1 gal. \$4.50 ea; 5 gal. \$11.25 ea.

CAMELLIA SASANQUA

Their chief differences from Camellia japonica are their willowy spreading growth, smaller earlier flowers, tolerance to sun. Particularly adaptable to training on walls, trailing over rocks or ground covering.

Values in 1 gal. to \$5.00; 5 gal. to \$7.50.

Special Sale Price Quoted with Each Variety

Briar Rose. Clear single light pink. Strong grower. 1 gal. \$1.67; 5 gal. \$4.67.

Crimson Velvetti. Single rose red of velvety texture. 1 gal. \$3.15. 5 gal. \$5.67.

Floribunda. Large single white edged lavender-pink. Compact. 5 gal. only, \$4.67.

Hiryo (Red Bird) Deep crimson red of unusual form. Tall and upright. 1 gal. \$3.15; 5 gal. \$5.67.

Hugh Evans (Hebe) Single clear pink that grows very rapidly. 1 gal. \$1.67; 5 gal. \$4.67.

Jean May. Exquisite large double shell pink. Outstanding. 1 gal. \$3.95; 5 gal. \$6.49.

Little Gem. Fully double, rose formed, white edged pink. Early to Mid. 1 gal. \$3.15; 5 gal. \$6.49.

Ocean Springs. Single large cupped white, petals edged with crimson. 1 gal. \$4.50; 5 gal. \$6.49.

Setsugekka. Large ruffled single white, slightly edged with pink. 1 gal. \$3.15; 5 gal. \$6.49.

Showa-No-Sakae. Exceptional soft pink semi-double flowers. Large foliage. 1 gal. \$2.25; 5 gal. \$4.67.

White Doves. Feathery semi-dbl. snow white that can be trained as a ground cover. 1 gal. \$1.39; 5 gal. \$4.67.
